
Education for a better world

What is an Aldine IB Education?

The aim of an Aldine IB education…

is to develop internationally minded people who, recognizing their common guardianship of the planet, help to create a better and more peaceful world.

IB CONTINUUM

Producing the World's Best

An Aldine International Baccalaureate education…

centers on learners – the IB's student-centered programs promote healthy relationships, ethical responsibility and personal challenge

develops effective approaches to teaching and learning – IB programs help students to develop the attitudes and skills they need for both academic and personal success

works within global contexts – IB programs increase understanding of languages and cultures, and explore globally significant ideas and issues

explores significant content – IB programs offer a curriculum that is broad and balanced, conceptual and connected.
