

The team at Adventureworks is proud to include Toledo, into one of its many destinations for student trips.

The city of Toledo, has historical museums and beautiful country views. People are full of culture and food cannot be beaten anywhere else .Visitors cannot go to Toledo without enjoying the views from the Hermitage Valley , In Toledo there are hundreds of activities to enjoy, With plenty of food and history in the region. The party is to stay in this Spanish region for a week. This will be a life changing experience. Activities are already underway and include attending educational museums. The trip is full of education and the fun the kids will have cannot be compare anywhere else in Europe.

What to see?

“Not many people can say that they came and visited one of the most beautiful cities in Spain. The views, people and museums have made this trip the best ever. I am a student, and this trip has been full of knowledge and culture”

“My favorite part for me was the view. It was like nothing I’ve seen before! The old buildings and sunset make it very nice if you could go back in time, would see the light once again”
